

Coquille Indian Tribe Undergraduate Full-time Scholarship

The Coquille Indian Tribe offers several merit scholarships to high-school seniors planning to further their education in a full time program. These scholarships vary in amount from \$1,000 to \$5,000 and are in addition to whatever funding might be provided through the tribe's higher education program.

These CIT scholarships are made available through the Tribal Council and are intended to honor a senior who has shown an interest in her/his Tribe and who has made contributions to the Tribe throughout her/his high school career and/or service groups in their community if they live outside the service area.
